## PE Invasion games - Ultimate Frisbee Sticking and Fielding Rounders Net wall games Short Tennis

### Ultimate Frisbee

Forehand Difference between the two  
Back hand pistol grip wrist action  
Rules and Scoring  
Clap catch safety and techniques  
Snake catch - safety and techniques

### Rounders

Throwing in different situations  
Catching  
Batting and Bowling

### Short Tennis

Serving under arm  
Holding the racquet  
Forehand and Backhand shots

## Computing      Digital Images

- To be able to use a green screen application and digital video camera to create a presentation for a specific audience.
- To evaluate and make changes to a presentation based on a specific audience.

## Design Technology

### Textiles – Drawstring Bag

- Research types and purposes of bags.
- Learn hand applique.
- Use a sewing machine.
- Join textile materials.
- Tie fabric to resist dye and to create a design.
- Create a pattern for applique.

## French      The Hungry Caterpillar

- Read and complete activities based on the hungry caterpillar in French
- Identify school equipment in French

# Year 5 Summer 2

## Science      Materials and Properties

- Demonstrate that dissolving, mixing and changes of state are reversible changes
- Explain that some changes result in the formation of new materials, and that this kind of change is not usually reversible, including changes associated with burning and the action of acid on bicarbonate of soda.

## Art      Landscapes

- Discovering different techniques by various landscape artists
- Pencil, water colour and oil pastels
- Create a landscape choosing their medium, independently
- Create landscape picture with collaging tissue paper

## Music      The Commonwealth

### Skills:

- Singing - Harmony
- Notation

### Perform

- Accompaniments to songs from around the world

### Listen to

- Caribbean music
- British folk music
- Vaughan Williams
- Elgar

## English      Holes by Louis Sachar

### Writing

- Informal letter
- Diary Entry
- Witness Statement
- Product Advertisement

### Reading

- Predict what might happen from pictures and details stated and implied
- Identify differences and similarities when comparing text and film
- Using text evidence to make inferences
- Summarise chapters and give them titles based on their contents
- Understanding plot and subplot

### Speaking:

- Verbal advertisement for a product – using language applicable to purpose, audience and tone.
- Reading aloud.
- Performing balanced argument.

## Maths      Number and Geometry

- Read, write and plot co-ordinates in the first quadrant
- Identify, describe and represent the position of a shape following a reflection or translation.
- Convert between different unit of metric measure e.g.km and m, l and ml etc.
- Estimate the volume of cubes/cuboids and capacity (using water)and learn how to calculate volume.
- Understand how to use equivalences between metric units and common imperial units such as inches, pounds and pints.
