

## Computing    Programming-Scratch

- Problem solving and debugging and correcting errors in programming. By decomposing them into smaller parts and detecting and correcting errors in algorithms and programs.
- designing, writing and debugging programs that control or simulate physical systems.

## Geography    Volcanoes and earthquakes

- use maps, atlases, globes and digital/computer mapping to locate countries and describe features
- use the eight points of a compass, four and six-figure grid references, symbols and key to build their knowledge of the United Kingdom and the wider world
- use key vocabulary to demonstrate knowledge and understanding about volcanoes
- physical geography related to volcanoes, including: climate zones and vegetation belts, mountains
- human geography, including: types of settlement and land use, economic activity including, and the distribution of natural resources including energy, food, minerals and water.

## PE    Gymnastics

- Looking at variety of rolls
- Revise and Flight
- Balances
- What is cannon and how do I include it my routines
- Create more complex routines using a greater range of skills
- Using Equipment

- Fitness:
- Cardiovascular endurance
  - HRF
  - Rowing
  - Fitness tests
  - Skipping
  - Cross Country

### Tag Rugby

- Defensive lines
- Attacking formations
- Passing backward on the move
- Rules

### Football

- Beating a player
- Passing lofted ball
- Tackling
- Shooting
- Dribbling more adv

## English    Biography

- Sky High film (extract/ assorted film clips) Superhero (**writing focus**)
- **Autobiographies/diaries/ memoires – writing/writing**
- Non-chronological rpt – volcanoes (x-curric with geography) – **reading and writing**
- **Persuasive letter – audience of pupil's choice (writing)**
- **Reading** – focus on answering the 7 NC reading domains

## **RE:**    **What kind of king is Jesus?**

- What is the kingdom of God?
- What kind of king was Jesus?
- How easy is it to bring heaven to earth?
- The relevance of the Christmas story

## Science    Light

- Light travelling in straight lines,
- How we see objects,
- The eye,
- Reflection
- Opaque/transparent and translucent materials
- Shadows
- Rainbows and colour spectrum,
- Refraction through water.

## Year 6 Autumn 2

## French    Chez moi

- Where I live using the first person 'j'habite'
- Nouns and their determiners for rooms of the house.
- Negative structures-I do not have a particular room in the house
- Describe where I live.

## Art -Colour theory – contrast, Picasso **Skills-**

- Graphite pencils, Use of shade and Tone, Observational drawing, Team work, Grid technique, Collage, Visual development

## **Colour Theory and Monochromatic painting**

- Monochrome (whole-school) portrait
- Application of colour theory and tints and shades
- Use of the colour wheel to indicate contrast

## **Picasso**

- Cubism, History
- Developing understanding and meaning/relevance of art expression

## Music    Musical structure and Composition using inter related dimensions

- Compose & perform accurately composition of "Clouds"
- Notate own composition
- Describe music (Beethoven & Grieg) using music vocabulary.
- Ensemble performance Grieg (a)
- Sing Christmas songs

## Design Technology

### Resistant Materials–Wheeled wooden toy.

- Woodworking- Cutting, drilling, shaping and smoothing timber.
- Pyrography for detailing.
- Constructing simple wheels and axles.
- Evaluating.
- Product packaging.

## Maths    Multiplication, Division and Fractions

- Multiply and divide mentally using known facts.
- Identify multiples and factors
- Find common factors of two whole numbers
- Identify prime numbers and composite numbers
- square and cube numbers
- Multiply and divide whole numbers by 10, 100 and 1000.
- Multiples of 10, 100 and 1000 to answer related questions.
- Identify, name and write equivalent fractions.
- Compare and order fractions greater and less than 1
- Add and subtract fractions with the same denominator
- Add 3 or more fractions by finding a common denominator
- Add and subtract fractions to a mixed number including two mixed numbers

## History    Early Islamic Civilisation including Baghdad

- Investigate the Siege of Baghdad and how it impacted the world at the time.
- Learn about scholars whose discoveries impact our daily lives with a focus on Ibn Al-Haytham and his studies of optics.
