Dear Parents and Carers,

Starting from Thursday 12<sup>th</sup> September 2024, KS3 homework will be set on a fortnightly basis apart from English, Maths and Science which will be set on a weekly basis by the class teacher.

This 2-week turnover for most subjects will ensure a thorough amount of teaching has been taught to allow students to complete their homework to a high standard. Some subjects, including Art and Design and Technology, may differ with project-based tasks so students may have a different deadline for this.

To make this clear and manageable for each subject, students will be given an outline of the homework expectation on the grid below which will be sent out on Teams with any other resources from the subject teacher. This grid will be uploaded to the school website and the students will write in the homework from each subject into their planners.

Students will have 2 weeks to complete their homework and it *must* be submitted on TEAMS or handed in to the specific teacher on the following fortnightly Thursday/on the deadline date specified on the grid.

If your child has any questions or challenges with completing their homework, they have enough time to communicate this to the relevant teacher and for any reasonable adjustments to be made.

Frequent lateness and lack of submission of homework will be monitored. Persistence of this will lead to necessary consequences to be given including a Level 1 Behaviour Point or a Breaktime Detention where the student will be asked to complete their outstanding homework task.

To support students will completing their homework, we will be offering Homework Club after school on a weekly basis.

KS2 homework will be sent out on a weekly basis via TEAMS and uploaded to the school website.

Best regards,

Gurdeep Kaur Ghattaura  
Senior Teacher  
Maths Subject Leader  
KS3 English and Maths teacher
